PETITION FOR EXTENSION OF TIME UNDER 37 CFR 1.136(a)

Dear Sir:

Applicant petitions for a three-month extension of time. Applicant requested a two-month extension of time on March 4, 2002 and paid the two-month extension fee of \$200 (attached is the first page of the Amendment And Request For Extension Of Time, together with a copy of the return post card duly stamped by the Patent Office). Applicant now requests an additional month for a three-month extension period for purposes of filing a Notice of Appeal.

Since applicant has already paid for a two-month extension, it is submitted that applicant only has to pay the difference between the fee for the two-month extension and the fee for the three-month extension, namely \$260.00, to obtain the three-month extension of time. A check in the amount of \$260 is enclosed.

Applicant qualifies as a small entity.
